

# Full Spectrum Teams

Serious Fun has teamed up with Full Spectrum Communication to offer your team a set of workshops to improve communication and enhance relationships.

Combining a simple, non-threatening personality assessment with experiential learning exercises and personalized content, your group will address conflict challenges and communication issues. When handled properly, these can move from productivity barrier to success bridge with your people. The workshop is:

- Non threatening
- Interactive
- Cost effective
- Fun
- Productive

## Half Day Workshop

- Identify color personalities
- Clarify communication difficulties
- Explain connection points
- Offer follow up strategies for addressing communication problems

## Full Day Workshop

- Identify color personalities
- Clarify communication difficulties
- Explain connection points
- Offer follow up strategies
- Conflict resolution
- Introduction to *The 9 Essentials to Build Up People*
- Interactive Charity benefit activity
- Extended experiential learning opportunities

## Two Day Workshop

- Explain color personalities
- Clarify communication difficulties
- Explain connection points
- Offer follow up strategies
- Conflict resolution
- Interactive Charity benefit activity
- *The 9 Essentials to Build Up People* - expanded
- Individual coaching mini sessions for all or select participants

## Full Spectrum Keynote

Steve Sweeney is an engaging and entertaining speaker. His colors presentation is customized to the crowd, so your audience will never get a canned presentation. He consults with you to learn what your group will benefit from most. Audiences laugh, listen and think as they consider how to view themselves in a healthy manner and others in a positive light.
